WASHINGTON, DC – House Committee on Oversight and Government Reform Ranking Member Darrell Issa (R-CA) today released a video – <u>Signs of a Failed</u> –

criticizing the Obama Administration for using taxpayer money to pay for propaganda signs touting both President Barack Obama and the failed stimulus program.

WATCH: "Signs of a Failed Stimulus"

Yesterday, Ranking Member Issa released a report – <u>Analysis of the First Year of the Obama</u> <u>Administration: Public Relations and Propaganda Initiatives</u>

cataloging the Obama White House's pattern of leveraging public money and campaign relationships to unlawfully generate support for the President's agenda. Ranking Member Issa also

sent a letter

1/2

to the Government Accountability Office (GAO) requesting a formal investigation of the legality of these propaganda initiatives.
